water themselves in the world of space above

[illegible][illegible][illegible]

er-way, but the depressing causes, produced an increase in the price of the grain, and the farmers and most small land holders in the river country, and the people of the interior, were in a position to pay the increased price of the grain. The situation was not so favorable in the general country, where the price of the grain was not so high, and the farmers and most small land holders, were in a position to pay the increased price of the grain. The situation was not so favorable in the general country, where the price of the grain was not so high, and the farmers and most small land holders, were in a position to pay the increased price of the grain.

[illegible][illegible]
